SUBJECT: **Taxiway Alpha Construction**
Painting- September 24 – September 28, 2012

The Taxiway Alpha rehabilitation project is nearing completion. Part of the project includes upgrading our existing pavement markings. This work requires intermittent closures of the following intersections along Taxiway Alpha: A1, A2, A4, A5, A7, A8, and A9. The work will commence daily from **Monday, September 24 through Friday, September 28**, weather permitting.

NOTAMS will be issued for temporary closures, and alternate taxi routes will be available.

As a reminder, aircraft operators should use caution for personnel and equipment in these areas during the referenced period.

Throughout this period main Runway 13R/31L and utility Runway 13L/31L will remain fully operational.

Please contact Airport Operations at 206-296-7334 should you have any questions.
